SPECIALTY FOOD BOOTH \$1,050

Your Table/Booth Includes

- 8' black drape & 3' side drape
- 1 skirted 6' or 8' low (30") table*
- Wastebasket
- Single 110 volt (20 amp) electric line
- *Email Lindsey Ruffin at lindsey@showspan.com by Nov. 10 if you prefer a counter height (42") skirted 6' or 8' table instead

Walk Through

A restaurant and food exhibitor walk-through will be conducted at DeVos Place. If you are a new exhibitor or your staffing has changed, we ask that you or a representative attend. You will learn about cold storage options, prep areas, dishwashing service, food delivery procedures, and more.

Supplies

Sampling of your items is encouraged to get customers interested in your product. If your food sample requires supplies, you must provide your own disposable serving plates, disposable silverware, cocktail napkins, serving utensils, etc. If you will be directly touching your samples, we ask that you provide your own hand washing station including a container with free flowing spigot, discard bucket, soap dispenser, and paper towel.

Please Note

- Additional product can be stored underneath the table at your booth. If you need additional product throughout the event you can restock at any point from a car or delivery vehicle.
- Specialty food vendors **can not** pour alcohol in their booths.
- **No water sales** are allowed. If you have other nonalcoholic beverages you would like to sell/serve, you must have it approved by festival management.

Temporary Food Service Establishment License

- If you plan to prepare any food (reheat, cut, slice, dice, etc.) at your booth or the on-site kitchen, you need to purchase a Temporary Food Service Establishment License (see license application)
- The Kent County Health Department number is (616) 632-6900, the application can be downloaded at <http://www.accesskent.com/Health/FoodServices/default.htm>.
- Contact Anne Pietrangelo at (616) 240-2527 with any questions.

Point of Sale

Small plate restaurants may provide their own POS system and staff for processing transactions if they wish to use it in addition to the Festival Tasting Ticket system.
