 **ULTIMATESPORTSHOWTOUR**

Antique Fishing Tackle

Terry McBurney,
award winning
Woods-n-Water

News writer, and Tony Przybylo, Michigan lure collector, will be on-hand all four days of the show exhibiting some of their "Made in Michigan" tackle collection - lures, reels, rods and accessories. Both are members of the NFLCC (National Fishing Lure Collectors Club.) They will be answering questions and offering FREE appraisals. Visitors are invited to bring in their old fishing tackle tucked away in the barn, basement or garage. They are also interested in buying vintage tackle for their collections. There might be some valuable surprises in that old tackle box!

Timberworks Lumberjack Show!

Captivating audiences for over 25 years, Timberworks Lumberjack & Lumberjill Show powered by STIHL includes events such as axe throwing, chopping, log rolling, cross-cut sawing, hot sawing and chainsaw carving. These century old skills were used in the logging camps of North America in the early 1900's. To pass idle time, lumberjacks would challenge opposing logging camps in head-to-head competitions. Although technology and machinery have replaced manual labor, the old-time skills are still used today by the Lumberjacks. Feel the rush of adrenaline as competitors race up poles at lightning speed or saw through twelve inches of aspen with the speed of a modern day chain saw. Then move to the edge of your seat as competitors show off their fancy footwork while running on logs or axe throw with the precision of a dartboard champion.

Ultimate Sport Show Promotions

Eppinger Limited Edition Lures!

The first 250 attendees to the Ultimate Sport Show on Thursday and Friday will receive a FREE commemorative Dardevle fishing lure courtesy of Eppinger Mfg. Eppinger is a 4th generation family owned Michigan lure manufacturer with a century long history of producing the world famous Dardevle. These special lures bear the logo of the show and a special run has been produced just for this event. Make sure to attend early to secure this valuable collectors item!
